

IT Artefact Design & Workpractice Improvement (ADWI-2014)
2nd of June 2014

Zeppelin University, Friedrichshafen
Campus: Seemooser Horn
Room: SMH Kolon LZ.09

-Programme-

Subject to change

From 9:15	Registration & Get Together
9:30-9:45	Welcome and Introduction <i>Programme Chairs: Brian Donnellan, Göran Goldkuhl, Markus Helfert</i> <i>Local Chairs: Markus Helfert; Katharina Grosse</i>
9:45-10:45	Session 1: Practice-based research (chair: Markus Helfert) <ul style="list-style-type: none"> Identifying and exploiting tacit processes in design thinking: what can phineas gage teach us about making better systems? <i>Rob Gleasure and Sheila O'Riordan, Ireland</i> In search for an innovation theory: A practical theory for inquiry and co-learning, <i>Göran Goldkuhl and Jenny Lagsten, Sweden</i>
10:45-11:00	Short Break & Networking
11:00-12:00	Session 2: Practice-based research (chair: Katharina Große) <ul style="list-style-type: none"> Learning analytics evaluation: an examination of practice, <i>Phelim Murnion, Ireland</i> Challenges in IT service management: institution vs. improvisation, <i>Göran Goldkuhl and Malin Nordström, Sweden</i>
12:00-13:00	Lunch at Zeppelin University
13:00-14:30	Session 3: Applying design science (chair: Brian Donnellan) <ul style="list-style-type: none"> Who's up Next? A design science research project to support succession management through information systems, <i>Christian Tornack, Björn Pilarski and Matthias Schumann, Germany</i> The Development of a Public/Private Model for the Crowd-funding and Crowdsourcing of Scientific Research Projects, <i>Eoin Cullina, Lorraine Morgan and Kieran Conboy, Ireland</i> Data Quality in Ubiquitous Computing - Suitability of Design Science Research?, <i>Plamen Petkov and Markus Helfert, Ireland</i>
14:30-15:00	Coffee Break & Networking
15:00-16:30	Session 4: Improving design science (chair: Göran Goldkuhl) <ul style="list-style-type: none"> Applicability of Focus Groups in a Design Science Project, <i>Patrick Brandtner, Austria, Markus Helfert, Ireland, Andreas Auinger and Kurt Gaubinger, Austria</i> The Need for Empirical Grounding of Design Science Research Methodology, <i>Stefan Cronholm and Hannes Göbel, Sweden</i> Family of practices – designing artefacts in context, <i>Paul Johannesson and Erik Perjons, Sweden</i>
16:30-17:00	Conclusion, Closing Remarks and Open Dialogue
18:00-19:15	Transfer to Workshop Dinner (Individual)
From 19:15	Optional Dinner Location: "Spitalkeller", Karlstraße 2, Friedrichshafen Tel. +49 (0) 7541 31733 <i>(Please note, cost for this are not included and have to be paid individual in addition to the registration fee)</i>

Optional: Sunday, 1st of June around 6pm:

Get-together for Participants already in Friedrichshafen

Location: **s`Wirtshaus**, Seestr.18/19 in 88045 Friedrichshafen

Tel. +49 (0) 7541 388 5989

<http://www.swirtshaus.de>

(Please note, cost for this are not included and have to be covered individually and in addition to the registration fee)

Program co-chairs

- Brian Donnellan, National University of Ireland Maynooth, Ireland (Brian.Donnellan@nuim.ie)
- Göran Goldkuhl, Linköping University, Sweden (goran.goldkuhl@liu.se)
- Markus Helfert, Dublin City University, Ireland (Markus.Helfert@computing.dcu.ie)

Organising co-chairs

- Markus Helfert, Dublin City University, Ireland (Markus.Helfert@computing.dcu.ie)
- Katharina Große, Zeppelin University, Germany (Katharina.Grosse@zu.de)

Workshop Location

Zeppelin University, Friedrichshafen

Campus I, Am Seemooser Horn 20

Hotel and Travel Suggestions*

We have reserved a number of rooms in the following two hotels. The room need to be booked DIRECTLY in the hotel, mentioning Reference: ADWI Workshop (at Zeppelin University)

Hotel Föhr GmbH
Albrechtstraße 73
88045 Friedrichshafen
<http://www.hotelfoehr.de/>

Hotel Waldhorn
Dornierstraße 2/1
88048 Friedrichshafen
<http://www.waldhorn-hotel.de/>

Alternatively there are other Hotels available in Friedrichshafen
(<http://en.friedrichshafen.info/accommodation/>)

Travel:

- Friedrichshafen Airport: <http://www.fly-away.de/>
- Allgäu Airport: <http://www.allgaeu-airport.de/> (Ryanair flights, and best to rent a car to drive to Friedrichshafen)
- Munich airport and then Bus from Munich Centre (<http://meinfernbus.de/unser-angebot/linien/bus-freiburg-muenchen.html>) or <https://www.flixbus.de/bus-muenchen-zob-friedrichshafen-hafen>
- Zurich Airport and then Train/Ferry to Friedrichshafen (details at www.bahn.de)

** These are some suggestions for travel and hotels, however we cannot take any responsibility for completeness or accuracy. Participants need to make their own travel and hotel arrangements.*
